

WARRANTY POLICY

AIRCRAFT ACCESSORIES OF OKLAHOMA

Overhaul

Accessories and Fuel Systems in this category will be warranted for six (6) months or 100 hours, whichever comes first. Propellers in this category will be warranted for one (1) year or 500 hours, whichever comes first. In no event shall the warranty period exceed one year after shipment from Aircraft Accessories facility. This warranty coverage applies only to the extent of component parts replaced and/or functions of the unit that were repaired, and may be to the discretion of the original manufacturer of any new part or parts replaced in the unit which is under warranty consideration.

Exchanges and Outright Sales (of freshly overhauled units)

Accessories and Fuel Systems in this category will be warranted for six (6) months or 100 hours, whichever comes first. Propellers in this category will be warranted for one (1) year or 500 hours, whichever comes first. In no event shall the warranty period exceed one year after shipment from Aircraft Accessories facility.

New Manufactured and Manufactured Overhauled Units

All units (Accessories/Fuel Systems and/or Propellers) under this category will be covered exclusively by the manufacturer warranty provision - The manufacturer warranty determination will prevail.

Warranty Obligation

1. Upon inspection **by Aircraft Accessories**, if unit is found to be defective caused by repairs and/or parts replaced by Aircraft Accessories of Oklahoma, Inc.
2. All warranties are subject to inspection and approval of Aircraft Accessories of Oklahoma, Inc.

Warranty Exceptions

1. Improper diagnosis or trouble shooting by the customer is not cause for Warranty consideration.
2. If unit has been repaired, disassembled, altered, misused, neglected or damaged by accident or element, **warranty does not apply.**
